

LV Prasad Eye Institute

The **PAX** Course

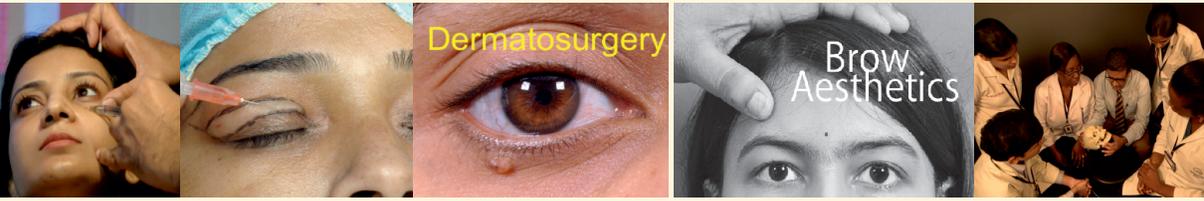

Date:

June 29 - July 1, 2020

COURSE DIRECTOR
Milind Naik, MD
Oculoplastic Surgeon

VENUE: L V Prasad Eye Institute, Hyderabad.

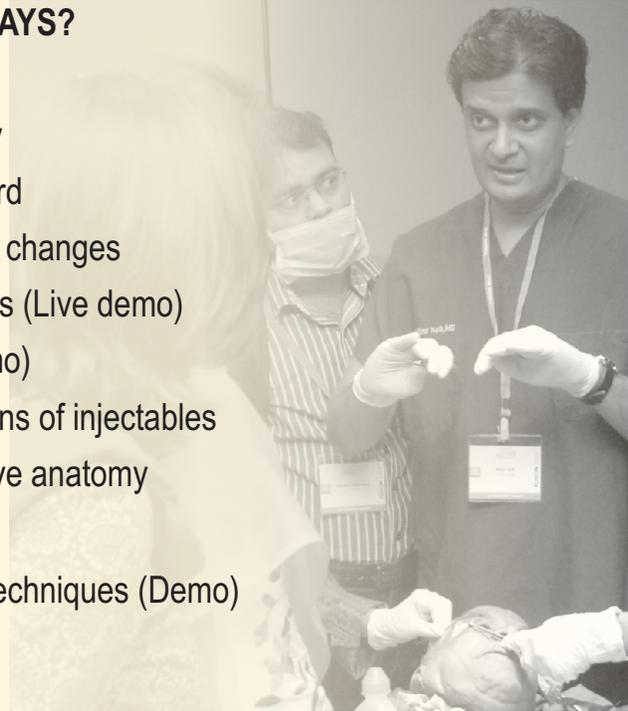

COURSE DESCRIPTION

The PAX Course (Periorbital Aesthetix Course) is designed specifically for Dermatologists to experience clinical evaluation and surgical skills around the eyelid, and periorbital region. Focused Oculoplasty clinics and operation room exposure in the field will ensure the right kind of guidance.

WHAT WOULD YOU LEARN IN 3 DAYS?

- Basics of Vision assessment
- Introduction to Clinical photography
- Placement and removal of eye guard
- Assessment of periorbital aesthetic changes
- Periorbital Botulinum toxin injections (Live demo)
- Periorbital Filler injection (Live Demo)
- Tips on avoiding ocular complications of injectables
- Exposure to eyelid surgeries and live anatomy (Operation Room visit)
- Basic peri-orbital dermatosurgery techniques (Demo)
- Didactic and Discussion sessions
- Certification of course completion
